Alexandria, VA 22313-1450

In response to the Restriction Requirement mailed May 9, 2006, Applicant elects Group I, claims 1-4 and 6-14, without traverse. Applicant further elects the Species (g) of Group I corresponding to the embodiment depicted in Figure 7. Applicant contends that the claims readable on the elected Species include claims 1-2 and 6-11.

Applicant notes that claim 1 is generic to claims of the remaining Species (a)-(f) and (h)-(j) of Group I. Should a generic claim be allowed, Applicant would be entitled to consideration of claims of Species (a)-(f) and (h)-(j) of Group I which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR § 1.141.

The Examiner is invited to contact Applicant's Representative at (612) 312-2204 if there are any questions regarding this Response or if prosecution of this application may be assisted thereby.

Respectfully submitted,

Date: 31 MAY 06
